

South 39th neighborhood general meeting  
October 22,2008

### Agenda

UFDA, Emergency Operations center bond, leadership team election.  
City council-Dick regarding the miler creek right of way. No decision has been made about the old 90 foot right of way. The city & the county do not agree on who actually holds the right of way. Renee-Russell street expansion. The residents are in favor of a 3 lane, as opposed to a 4 lane.

Update on neighborhood projects:

Homestead park has a pending grant for 2 benches. Tonkin trail grant has an application in the works. Applied for approx \$20,000.

City has pledged \$10,000. An additional \$3,000. can be applied for through the neighborhood grant fund.

Leadership team election:Joyce Lewis 251-2839. Jeff Stevens meeting moderator,council forum, Cathy Deschamps forum alternate & secretary. Nominated & approved. All yea, no nay.

Presentation by Sheriff McMeekin on emergency operations center. The county owns the land, the building is in the infancy stage pending the outcome of the bond issue on the election. The architech is the same company as the detention center.

Presentation on UFDA by Laval Means. Updates for UFDA, policy amendment & map of possible development.

Zoning subdivision & regulations update-Tom. The new zoning codes & descriptions to replace the codes from the 1930's.

Meeting adjourned.
