

Minutes for Riverfront LT Meeting  
June 4, 2012  
7:30pm  
The Bridge

1. Sally reviewed the meeting that was held in May for 5th and 6th street neighbors to discuss traffic issues. Another meeting to conclude the subject would be helpful but the date has not been set.
2. Approved request for 4th Street traffic circle plants for the Small Grants. I don't believe that we got a budget or formal request but we support them.
3. Discussion for summer block party: tentatively, Thursday, June 14th from 6-8 p.m. at the Walnut Street Landscape between 3rd and 1st street. The activities would be: socializing, sidewalk chalk art, assisting with the irrigation installation, barbeque, and Big Dipper Icer Cream Truck IF they are available and IF we have funds enough. Cristal is investigating the permit to block off Walnut, Gwen is checking with Big Dipper and Cristal is going to do a rough draft of a flyer we would get to the printing by Friday. This is quick but we are trying to catch people before they take off on vacations and while we still have money in our budget.  
Please let us know your thoughts on this proposal.
4. There was no public comment on non agenda items.
