

Minutes of the Silver Park Art Call sub-committee meeting on 3/11/14

Members present at meeting: Doug Olson (sub-committee chair)
Ted Hughes, Linda Richards, Taag Peterson, Kathi Olson

AGENDA:

Finish compiling all information for the 2 art calls at Silver Park to move the call forward for voting to accept, change or not use the call to the full Missoula Public Art Committee at the March meeting.

The only item to be attached and voted on at full committee would be attachment for the dimensions and descriptions of relics available to artists at the Silver Park site. Due to weather conditions this has not been done yet.

Meeting discussion:

Sub-committee read and gave input to Ted on possible changes to his current composition of the Silver Park art call.

Committee members discussed where they were in completing the tasks they were working on. Taag said he will have all materials for maps and photos compiled by March 26th to include in the call.

The date of April 7th was set to have the art call out to the full committee members so they would have a week to review the call, before the regular full committee meeting. The full committee meeting is on April 15th, and if approved the call can be released April 18th to the public.

Sub-committee meeting lasted from 1:00pm to 2:20pm.
