 7. Public comment on non-agenda items - Several neighbors have objected to other neighbors letting their dogs run loose & off leash in Bellevue Park as well as not using mutt mitts & picking up after their dogs. Animal Control suggests that if name of the offenders are known AC could cite the dog owners. Not wanting to cause hard feelings in the neighborhood by ratting out their neighbors to the law they feel this is a problem which should be solved by the Neighborhood Council. The Leadership Team is unsure of the next step. The leadership team is

considering asking P & R for more signage in hopes of educating these dog owners.
