Total of \$21/mo with high school bond

go to MCPS web site for school breakdown and timeframe

If passes design phase in 2016, construction in following year

3. A Snack Break was held.

4. Q&A With Principal Bessette - Q - Has there been more security with Poverello in neighborhood ?

A - Homeless Outreach Team – for communications more than safety; monthly meetings at school with reps of Poverello; police perform an extra sweep around school; immediate neighborhood has had good experience with Poverello outreach team; phone number for HOT 406.493.7955

Q - Jordan Hess asked about Island Park Activity?

A – Discussion related to more traffic in the area generally and to call HOT if there are issues.

Q - Concern about a Westside resident – what do we do for someone that has special needs?

A - Call HOT.

5. Q&A With City Council Members –

Verdict on city ownership of water system will be soon |

-Northside Park has new structure

-City Council is currently discussing budget issues

Questions:

Q – Why is the picnic shelter so small for Northside (N/S) park and designed poorly and is it complete?

A – Yes. There has been conflicting information.

Q – Will there be turtles in N/S park? \$40,000 allocated to this park. Hopefully there will be a public input period.

A - Jane points out the weekly city digest for all information related to neighborhoods

Q – What will happen with Orange Street roundabout?

A - It will help with speed getting onto freeway heading west and exiting off.

Roundabout will create a connection from N/S to open space. Exit 105 roundabout has been pushed back two years.

Q – Why is the warehouse across from Draughtworks being remodeled?

A - Retail ground floor and high-end rentals on top floor

Jordan Hess - incomplete trail system by Missoula Fresh Market will be complete

Jason Wiener - Russell St plans meeting at BSB event center. Progressed north end of bridge to Dakota St. including trail crossings.

- Alder St west of Orange is in bad shape. City program will take care of

mandated repairs and will improve crossing at Alder St and Orange. There will be time for community input on design.

-Improvements on how the city addresses sexual assault.

6. National Wildlife Federation – Jane Kelly – The NWF would like city of Missoula to encourage urban wildlife. For example leave water for pollinators, water conservation, organic practices and Bird houses. Cost is \$20 to register your home. Traffic Circles can be certified. See NWF handout.

7. Leadership Team Elections –

Chris Jackson was nominated  
Andi Hoelzel was nominated  
Terri Roberts motions to accept the new Leadership Team members; Jack 2nds;  
the motion passed unanimously.

8. New Business –
  - Easement for trail lighting on N/S along tracks; Jason mentioned to ask parks and rec.
  - Playground maintenance NS/WS softball teams will be helping on June 6.
  - Booth at ZACC block party in July
9. Public comment on non-agenda items - None
10. Announcements - Jordan Hess - Scott St and N Reserve – MRA has initiated master planning process for improvements and will be a high level planning process. North and West side residents will benefit. Public meetings will be held.
