Hi Jane,

I've got 3 other things on my calendar for Tues eve so won't make the F2F Community Mtg but was hoping you could convey three messages :

1. Thank you to everyone who helped get the street light in at North & Johnson. I think it will help prevent accidents. So the best news will be no news :-)
2. Moonlight Kitchens was just awarded a large Growth Through Agriculture Grant last week that will allow us to install an 8'x 12' walk-in cooler, a high-temp dish machine, and a 50 cubic foot freezer. This will eliminate bottlenecks in two areas and make the kitchens more functional and attractive to cooks, farmers, and manufacturers. Keeping it local and creating jobs in the neighborhood.
3. Congrats to Michelle on her City Council win - woohoo!

Thanks and stay warm,  
Anne
