

Super Sprouts Sports Skills

Preschoolers ages 3-5

Get your preschooler moving this winter!

Your little sports star will develop coordination, balance, and movement skills while having fun and learning about a variety of sports.

Parent participation is welcome and encouraged!

Super Sprouts includes Strider bikes along with the classic sports kids love. We use soft Koosh and Nerf-type equipment so kids can build confidence and have lots of fun. Join us for fun field trips like Peaceful Heart Yoga, swim lessons at Currents Aquatics Center, skating at Glacier Ice Rink, and tumbling at Mismo Gymnastics!

(Activities subject to change.)
