Summary Description and rationale of project and funding sources:						
<p>Complete master plan for additional/remaining, public parklands in the Fort Missoula Regional Park phase I and phase II areas. Prior year funding is from approved and remaining Park Impact Fees and may be used on efforts to increase capacity at phase I and phase II of the Park. Other activity in FY25 will be to continue the planning process for the Fort Ponds parce and is contained in separate CIP request. Prior year funding is appropriated for expense in FY25 via the FY25 Parks CIP update form.</p>						
History & Current Status: Impact if Cancelled or Delayed						
<p>Based on previous design and construction of Fort Missoula Regional Park, this project could amend the master plan for additional lands in the area. Those lands include the previous batting cage site, the City owned 'triangle' parcel between Post Siding and Fort Missoula Road, as well as the gravel pond parcels. Implementation TBD upon Master plan.</p>
